TRUSTLAM
CRAFTED TO CREATE

UV Stability & Weather Resistance

Engineered with environmental responsibility at its core, this elastomer is formulated without UV stabilizers, eliminating additives that raise ecological concerns. Despite the absence of stabilizers, it delivers consistent mechanical performance and easy colorability across diverse processing conditions. Even at low temperatures, the material maintains its elasticity and impact strength, effectively overcoming the brittleness often associated with traditional plastic resins.

Chemical Resistance

Tough. Reliable. Unstoppable.

When performance matters, this material stands its ground. Engineered with exceptional solvent resistance, it thrives where others fail—making it the perfect choice for industries and everyday innovations alike. From high-tech manufacturing to consumer applications, its versatility knows no bounds. Wherever durability is demanded, this solution delivers strength you can trust.

Why It Stands Out*

Highly resistant to solvents and harsh chemicals*

Perfect for a wide variety of applications*

Maintains integrity under challenging conditions

Built to last. Designed for possibility.

-: ABOUT US :-

Established in 2004, TRUSTLAM LAMINATES has distinguished itself through a commitment to industry leadership, continuous innovation and expansion. Our production facilities are strategically positioned in SONIPAT HARYANA, where we specialize in the manufacture of decorative laminates. our corporate headquarters are located in PITAMPURA, Delhi, and we also operate an experiential center.

Now TRUSTLAM is launching its very new ASAA collection, which is an aesthetic folder featuring a wide range to bring your imagination to reality. This collection will come with a 1mm thickness. Our ASAA collection is anti-scratch, durable, termite-proof, lightweight, and water & stain-resistant, providing a superior matte finish. It is available in a variety of colours.

Experience the seamless fusion of Pastel Colours, with each piece representing a pinnacle of timeless elegance and grandeur. Our ASAA (ACRYLIC CORE LAMINATES) feature authentic, unparalleled durability and low maintenance all while adhering to eco-conscious design principles, ensuring lasting excellence for your spaces.

TECHNICAL SPECIFICATIONS

GENERAL USE & CARE GUIDE:

- ASAA acrylic core laminate are designed for easy maintenance and durability. Follow these guidelines for optimal performance
1. **Stain Removal:** for stubborn stains, use mild household glass cleaners like Colin, Gently wipe the surface with a non-abrasive cloth
 2. **Avoid Abrasive Cleaners.** Refrain from using abrasive liquid cleaners, bleaches, or solvents, as they may harm the deco sheet surface clean with water and a non-abrasive cloth.
 3. **Surface Recommendation:** Glossy surface are best suited for vertical applications
 4. **Thinner Usage:** Do not apply thinner to deco sheets.

INSTALLATION INSTRUCTIONS:

1. Clean the dust particles from the surface of the substrate (plywood, MDF, chipboard) with a cloth, soft brush, sponge or sandpaper
2. Apply the adhesive evenly with a brush, roller or adhesive spray on both the deco sheet and the substrate (plywood, MDF, chipboard)
3. When pressing on the deco sheet base (plywood, MDF, chipboard), use a soft-pressure roller or a normal pressing technique Pressing must be done from the centre of the panel and moved to the sideline and corners of the panel
4. Make sure the laminate is sufficiently pressed for almost 24-30 hours to reach full bond strength

LIMITED WARRANTY:

ASAA Products undergo rigorous testing to ensure they are reasonably free of defects. When used and fabricated correctly, they will comply with applicable manufacturing specifications within realistic deviations. Prior to installation, we advise customers to thoroughly inspect products, The warranty excludes defects or non-compliance due to

- Improper handling, transportation, or storage of deco sheet Incorrect installation or unintended usage
- Lack of maintenance or exposure to high temperatures. Unauthorized alterations or outdoor applications
- Exchanges are provided under reasonable circumstances. This brochure serves as a presentation guide, with actual colors potentially differing
- Why Polymer Laminates are the Best Choice compare to other laminates?
